Dear Larry:

We have completed our review of Foreign Relations of the United States, Volume X, 1955-57 (East Asian Security and Indochina). We are returning herewith eighty-three documents in which CIA has an interest. We have no objection to the publication of ten of these documents, five remain classified, and sixty-eight may be published after the words or phrases indicated are excised. You will note that many of the documents were included in our original review in 1979 and have been the subject of previous correspondence; others were recently reviewed by us for the first time. This letter provides our clearance of this volume for publication, subject to the withholding of documents or portions of documents as indicated on the attached, and contingent upon your assurance to us that there is no further material intended for publication in this volume which is of interest to this Agency and which has not been reviewed by us.

Sincerely,

25X1

Chief, Classification Review Division  
Office of Information Services
